

AUSTRALIS™

COMMERCIAL FLOORING – HOMOGENEOUS VINYL SHEET

Australian made AUSTRALIS is a homogeneous sheet vinyl floor with a contemporary colour palette and bold tone on tone visual, which combines excellent durability and maintenance characteristics. Styled to blend light and shade in a multi chip visual, AUSTRALIS is especially suitable for facilities subject to high daily use.

PRACTICAL

- Broad range of soothing tone on tone neutrals and subtle accents to complement any interior.
- Low maintenance, protective polyurethane reduces initial and ongoing maintenance and increases scuff resistance.
- No need to apply polish.
- Flexible for ease of installation.

DURABLE

- Homogeneous construction for excellent dent and gouge resistance.
- Embossed surface texture and multi-colour chip visual assist maintenance and help hide soiling and wear patterns.

APPLICATIONS

- General traffic areas of:
- Education
 - Office
 - Health care
 - Light industrial
 - Retail
 - Hospitality
